

# Index to Vol 22

## *Maryland State Medical Journal*

January-December 1973

### SUBJECT INDEX

#### Alcoholism

- BOSMA WGA: Training professionals for meeting the needs of alcoholics and problem drinkers Oct 102-04, Nov 84-87  
Criteria for the diagnosis of alcoholism Feb 64-68  
KELLY D: Alcoholism and the family Jan 25-30  
TALBOTT GD, GANDER O: Antabuse July 60-63  
Treatment of Alcoholism, Part I Mar 66-69; Part II Apr 17-19; Part III May 67-75

#### Arthritis

- GOLDFINE LSJ: Basic aspects of rehabilitation medicine in chronic arthritis Oct 43-45

#### Birth Control

- KALTREIDER DF: Contraception, sterilization, and abortion: legal interpretation of consent Sep 67

#### Blood

- SHERER EL JR: All you wanted to know about blood donors but were too busy to ask Apr 27-28

#### Bone

- FLEISCHER CJ: Osteoporosis Jan 82-86

#### Burn

- SMITH GW, SU CT: A review of some newer ideas in burn wound management with emphasis on the use of a burn unit Feb 50-54

#### Cancer

- ANDREWS JR: A radiotherapist's point of view developed as an imaginary interview Sep 47-51  
BERUBE LW: Are class 1 and class 2 pap smears objectively interpreted? Sep 54-58  
BESSERT CT, LOPEZ CA, COCCO AE: Carcinoma of the EG junction mimicking achalasia June 47-50

#### Child Abuse

- CHABON RS, BARNES GB, HERTZBERG LJ: The problem of child abuse: a community hospital approach Oct 50-55

#### Death

- GUYTHER JR: The right to die June 44-45

#### Dental Care

- FARMER RE: Mobile dental clinics Nov 23-24

#### Diabetes

- PATZ A: Current status of diabetic and sickle cell retinopathies Sep 59-62  
SHERR HP, COCCO AE: Diabetes mellitus presenting as esophageal moniliasis Nov 70-71

#### Drugs

- ALBITES V: The place of the clinical laboratory in drug abuse Sep 92-95  
BERMAN JE: Recent activities of the Medical and Surgical Faculty in the control of drug abuse Mar 82-83  
BLAKE DA: What is drug abuse? The view of a pharmacologist June 27-28

- FREDERICK CJ: Drug abuse: a self-destructive enigma May 19-21

- GOLDMAN FR, BERMAN JE, IMBODEN JB: A methadone maintenance program in a community general hospital: a first year's experience Mar 48-51

- PACHUTA DM: New federal regulations for the use of methadone Oct 68-70

- .....: Role of the Baltimore City Medical Society in drug use and abuse in Maryland Mar 81-82

- PACHUTA DM, BLAKE DA: Introduction to a new feature—drug use and abuse Mar 80-81

- WURMSER L: Psychosocial aspects of drug abuse Part I: Etiological considerations July 78-82

- .....: Part II: Treatment and the role of the family physician Aug 99-101

#### Emergency Health Care

- COWLEY RA, et al: A statewide communication system to support a regional program for emergency health care delivery in Maryland Jan 61-66

- HAECK WT: The emerging speciality of the emergency department physician May 83

- HALLER JA JR: Newer concepts in emergency care of children with major injuries Nov 65-68

- JOLIET PV: Development of community emergency medical services councils Feb 84-86

#### Environment

- CHANSY HE, MANCKE RB: The physician and the environment Jan 34-36

#### Face

- KENRICK MM, LONG JA, CORN GB: Facial palsies—follow-up study Sep 89-91

#### Family Planning

- FARMER RE: Advisory council for family planning projects Mar 16-17

#### Gangrene

- MORGAN TH, CHIU SH: Gas gangrene of the extremities Jan 52-54

#### Gastro-intestinal

- HOOKE DH, SMITH GW: Lesions of the splenic flexure of the colon associated with pancreatic disease Nov 58-59

#### Health Care

- CAVENAUGH RL: Premarital health testing Feb 87

- FARMER RE: Baltimore's health in 1972 Apr 31-33

- GUTHRIE EH, NEVINS F: Maryland's partnership approach to comprehensive health planning July 84-87, Part II Aug 23-26

- MELLOAN C: Cooling down health care's crisis rhetoric June 10-11

- TAYBACK M: Department of Health and Mental Hygiene: directions for the future Oct 88-93

#### Heart

- CAREY JJH: Advances in hypertension Oct 79-82

DEMBO DH: Definitive therapy in cardiopulmonary resuscitation Mar 85-86

FRATTO C: Positive end expiratory pressure Nov 78-80

GRENZER LE: His bundle recordings Apr 60-62

KARLINER JS: Current aspects of digitalis therapy Jan 68-69

MESSINA, JJ: The Marfan syndrome Sep 86-87

PIERONI DR, GINGELL RL: Congenital heart disease in the newborn Part I: Recognition and diagnosis June 70-73; Part II: Medical and surgical management July 64-67

SAUNDERS E: Screening for hypertension May 82-84

SCHNEIDERMAN D: Ultrasound measurement of left ventricular function in acute myocardial infarction Feb 17-18

STOLFI JE: Prehospital emergency care of the heart attack patient Sep 94-95

### Hospitals

BEACHAM EG, CARROLL DG, HUBBARD FG: Toward a third century of progress (Baltimore City Hospitals) Nov 45-57

HITCHMAN IL: Maryland's new regulation governing admission of involuntary patients Dec 27-28

### Immunization

FARBER RE: Immunization Sep 71-72

Steering committee on immunization practices Aug 9-10

### Kidney Disease

KOLODNER LJ: Experiences of a surgeon on dialysis Dec 85-89

### Liver Disease

REID NCRW, SCHUSTER MM: Percutaneous liver biopsy: A review of 200 cases May 43-46

### Medical and Chirurgical Faculty

Annual reports to the House of Delegates Aug 35-90

SARGEANT J: Med-Chi has had many homes June 39-42

Semiannual reports to the House of Delegates Dec 76-85 Transactions Dec 55-70

### Medical and Chirurgical Faculty, Library

Behind the Scene Jan 70-72

Doctor-Patient Relationship: new books Mar 74-76

Here and there in medical libraries June 65-69

Highlights Oct 75-78; Nov 89-92; Dec 91-95

Library services to component societies May 84-86

Medline Apr 65-69

Medline coming to Med-Chi Feb 70-73

Medline news July 68-70

Special Libraries Association conference, June 1973, Sep 77-81

### Medical History

CARROLL D: Medical literature in the early 19th century Mar 41-47

WILLIAMS CH: Hippocrates: medical giant in the saga of man May 56-58

### Medical Professionalism

CARROLL D: Contributions of Maryland physicians to medical journalism in the United States July 41-48

COCO AE: Panel discussion on Peer Review Jan 42-51

PAGE OC: Peer review: Problems and potentials Jan 41

MORRISON S: To set the record straight Dec 48-50

SHERRER EL JR: In search of reliability in the clinical laboratory June 59-61

WOLF S: Bedside manner: for better or worse June 86-89

ZIMMERLY JC, OLENIEWSKI WA: Mental anguish as an element of damages in malpractice cases July 37-39

### Mental Health Care

PEPPER B: The future emphasis of mental health treatment Mar 32-33

### Microbiology

FAZEKAS V: The clinician and microbiology, Part I Nov 32-33

### Mucopolysaccharidoses

BOWERMAN JW: Some advances in the diagnosis of the mucopolysaccharidoses Feb 39-42

### Neurology

EL-MINAWI MF, GLOWACKI GA, ASHAI SA: A pilot training program in laparoscopy in a community hospital Apr 46-51

GOODGOLD J: Electromyography and nerve conduction studies: Diagnostic implications and limitations Apr 39-45

KUSHNER J, MESCHAN I, ALEXANDER E JR: Cerebrospinal fluid rhinorrhea, aqueductal stenosis, and the empty sella June 51-54

### Obstetrics

WALKER SH, MACARAEG EI: Neonatal sepsis due to clostridium perfringens Mar 61-62

### Pediatrics

STINE OC: Pediatric referral patterns in Maryland Feb 43-49

### Poisoning

FARBER RE: Accidental poisoning ingestions June 16

.....: Lead poisoning Feb 12

.....: Lead poisoning/Park Heights Health Center July 57-58

.....: Lead poisoning tests Oct 33

### Rehabilitation

HALPERIN HJ: The hiring and employment of the handicapped and his rehabilitation Jan 87-92

ROSEN NB: The role of sports in rehabilitation of the handicapped, Part 1A: Historical Feb 30-32; Part 1B: Historical Mar 11-12; Part 2A: Functional levels and classification of handicapped athletes May 63-66; Part 2B: Functional levels and classification of handicapped athletes June 78-80; Part 3: The wheelchair games Nov 35-37

### Respiratory System

MARGAND PMS, CHODOFF P: Use of a respiratory weaning score July 50-52

### Retroperitoneal Fibrosis

HERMAN MA: Retroperitoneal fibrosis due to obsolete sarcoidosis Mar 52-55

### Reye's Syndrome

WALKER SH, SCHLEUPNER CJ: Reye's syndrome in Baltimore—a review of 16 cases May 48-53

### Rheumatism

CLARK GL, WILGUS EFS: Surgical prevention and correction of deformities in the rheumatoid hand Oct 47-49

### Schizophrenia

LERNER J, LERNER WD: Aging process in schizophrenia Nov 74-76

### Trichinosis

AITA JF, KRAMER MD: Trichinosis—the Maryland outbreak of 1970 Dec 40-46

## **Tuberculosis**

FARBER RE: TB patients needed for treatment study May 90-91

.....: TB and VD screening program Dec 26

## **Venereal Disease**

FARBER RE: TB and VD screening process Dec 26

.....: VD Gonorrhea study Jan 94

KING LC, STAFFORD JD: Gonorrhea screening in Maryland June 62-63

# **AUTHOR INDEX**

AITA JF, KRAMER MD: Trichinosis—the Maryland outbreak of 1970 Dec 40-46

ALBITES V: The place of the clinical laboratory in drug abuse Sep 92-93

ANDREWS JR: Cancer immunology: a radiotherapist's point of view developed as an imaginary interview Sep 47-51

BARNES GB: See Chabon RS

BEACHAM EG, CARROLL DG, HUBBARD FG: Toward a third century of progress (Baltimore City Hospitals) Nov 45-57
